

November 8th, 2007

Dear Sirs
GRADUATE SCHOOL
N.M.S.U.

Due to requirements of my graduate committee in the Department of Chemistry, I must take the class CHEM 526 ADVANCED ANALYTICAL CHEMISTRY (CN 11220). I have asked for consent from the instructor and he has accepted me as student in his class. I have attached the ADD slip to complete the formal registration.

Thanks for your help in advance,

Fabian Rios.
